

# Party Animal

## Alert!

If you're a Boozehound (or even a Potweiler), and getting loaded is getting in the way of *your* dreams, get smart and get started learning some new tricks to turn your life around. Need help? Get it. Because partying problems can dog some party animals long after the party's over. And, sometimes, they're enough to make even the heartiest partiers play dead, forever.

**Don't Let Partying Problems Hound **You**, Dog!**
